

# **FUNDING CUTS to your GP Services**

**Dear patient,**

**From 1 April 2018, The Local NHS Health Commissioner (Havering CCG) will be making significant FUNDING CUTS to the services provided by Maylands Healthcare which we believe will have a severe impact on our patients and staff.**

**Our list size (number of patients registered at the practice) remains same year on year, which ranges from 14,000 to 15,000**

# APPOINTMENTS REDUCTION

Practice is faced with the prospect of making staff redundant. We have already lost one GP resulting in considerable loss of doctors' appointments

As a consequence, patients will be referred to:
